About Institution

Government Polytechnic, Ratnagiri is one of the oldest Polytechnic established in KONKAN region in 1961, to cater the basic needs of developing industrial belt of this region. The institute belongs to Government of Maharashtra & under the governance of the Director of Technical Education (M.S) Mumbai. The institute is affiliated to Maharashtra State Board of Technical Education (MSBTE). The main Aim of this institution is to impart Quality Technical Education in need based courses, facilitate the Industry-Institution-Interaction by Co-relating the theoretical knowledge with industrial application and to promote research in Engineering fields. The institute is much closer to the industrial area within the developing community. The notable industries located within 18 Kms belt around Ratnagiri are : JSW Energy, JSW Steel, J.K. Files, Finolex, Bharati Ship Yard etc. Well established infrastructure facilities are key factors for positive performances. The faculty members are well qualified, experienced & well trained under NITTR courses, I.S.T.E. courses & other personality development courses. Faculty members are capable of conducting continuing educational programmes for the industries and the other organizations.

Goals of the Training Program

Presently level of assurance, Confidence, Poise, Deportment are not given directly to individual person. But there is demand and requirement to improve our skills.

This course aims to fulfill a few needs among them.

1. To improve interpersonal relationship among participants by effective communication.
2. To enhance capabilities of participants by transferring stress management techniques, leading to maximum output from them.
3. Developing leadership qualities among participants to cater the needs of organizations by improving their vision, motivation and participative team work, which will lead to overall growth of technical education in terms of human resources, infrastructure development.
