# SAKAL INTERNATIONAL LEARNING CENTRE

In Association with Directorate of Technical Education

PRESENTS

## Admissions Gateway- To Engineering, Medical & Pharmacy in State of Maharashtra

Date: 14 June 2013

Venue: College of Engineering Pune

Sakal International Learning Centre and Directorate of Technical Education jointly propose a programme for students seeking admission for Engineering colleges and MBA/MMS institutes across the state of Maharashtra. Last year the programme received tremendous response from all the stakeholders and close to 1,00,000 participants across the state witnessed the programme to get first hand information from DTE and AICTE.

### Objective of the programme

- 1.To provide information to all the aspirants on the various colleges/institutes options clearly defining the process of admission for the year 2013-14 to all the AICTE approved/University Affiliated colleges/Institutes in the state of Maharashtra.
- 2.To provide information on online option form filling and guidelines
- 3.Information on documentation

### Speakers for the Session

**Hon.Shri.Rajesh Tope-Minister Higher and Technical Education State of Maharashtra**

**Dr.S.K.Mahajan- Director of Technical Education State of Maharashtra**

Technical Team of DTE to provide necessary guidance through online demonstration of the form filling process.

### Who can attend the programme

All the aspirant students seeking admission to Engineering/MBA can attend the programme by preregistration and attend the programme at multiple locations across the state.

### Who will host the event

The main event would be conducted for Engineering in Pune at COEP. The programme will be inaugurated by Hon Education Minister in Mumbai on 14th June and will be aired via Video conferencing at multiple locations in the state namely Mumbai,Kolhapur,Solapur,Ahmednagar,Jalgaon,Aurangabad,Nagpur Amravati and Pune .

### OPPORTUNITY FOR HOSTING

Hosting the event gives your institute opportunity to have footfalls in your institute. The hosting institutes/colleges will be required to provide us the venue and a hall/arrangement to seat at least 200-1000 students where the event will be . This event will be telecast live at multiple locations and such institutes should have requisite bandwidth .

Multiple venues will be identified in a given location based on the spread and need  
You can avail the facility of live streaming of event at your campus
